

Notice of Public Hearing

Windsor Plan Commission

Tuesday, February 17, 2015 @ 6:00 p.m.

Windsor Town Hall

4084 Mueller Road, DeForest, WI 53532

The Windsor Plan Commission will hold a meeting to consider public input on the following matter:

- Applicant Neumann Companies, represented by Don Esposito, requests consideration of a re-plat of portions of the existing plats of Wolf Hollow, Prairie Creek and Pleasant Hill Estates in order to address issues that have arisen with wetlands since the original plat of Wolf Hollow. The re-plat will contain solely single-family dwelling units and represents an overall decrease of 15 single-family lots. The re-plat will continue to accommodate the trail network planned for this area.

The project site is located in section 29 and 32, in the Town of Windsor. A map of the proposed re-plat can be found on the Windsor Website at www.windsorwi.gov

Additional information is available at the Windsor Town Hall during normal business hours (Monday through Friday, 8:00 a.m. to 4:30 p.m.). If you have questions, or would like additional information, you may contact the Windsor Town Hall at 846-3854.
