

The Village of Windsor is converting to automated collection services.

- Each household will receive a cart for trash and a cart for recycling
- Carts will be delivered to the end of your driveway starting the week of October 31, 2016
- No charge for initial two carts
- If damaged, there is a fee to get new carts
- Your collection day will remain the same
- Trash will be collected weekly
- Recyclables will be collected every other week
- All TRASH and RECYCLABLES must be placed in the carts that will be delivered in October
- Recyclables should not be bagged
