

PUBLIC MEETING
RECONSTRUCTION OF
COUNTY HIGHWAY C
(STH 19 to Egre Road)
CITY OF SUN PRAIRIE, TOWN OF BURKE, TOWN OF WINDSOR
September 9, 2015
5:00 p.m. to 7:00 p.m.

The reconstruction of CTH C from its intersection with STH 19 northerly to its intersection with Egre Road, located in the City of Sun Prairie, Town of Burke and the Town of Windsor, Dane County, Wisconsin will be discussed at a public informational meeting scheduled by Dane County.

The meeting will be held on Wednesday September 9, 2015 from 5:00 p.m. to 7:00 p.m. at the City of Sun Prairie Westside Community Service Building, located at 2598 W. Main Street, Sun Prairie, Wisconsin 53590.

Reconstruction of CTH C is being considered to include the following:

STH 19 to Whytecliff Way – milling and resurfacing of the existing pavement, construction of a multi-use path on the east side.

Whytecliff Way to Stonehaven Drive – Construction of a 4 lane urban section with curb and gutter, storm sewer and a multi-use path on the east side.

Stonehaven Drive to Egre Road – pulverize and repave the existing rural roadway with improvements to the Egre Road intersection.

During construction, portions of CTH C will be closed to thru traffic. A detour route will be posted for traffic during this time. Access to residences and businesses will be maintained.

Work is scheduled to take place throughout the 2016 construction season.

The purpose of the meeting is to present the preliminary plans of the work scheduled for the road reconstruction project, discuss the project schedule, and gather public input. Any comments that may be of interest to the project design team are welcome.

A presentation of the project will be made at 5:30 p.m. Interested persons are invited to stop by at their convenience. Representatives from Dane County will be available to discuss the project details, address comments, and answer questions. Displays showing the proposed project will be available for viewing.

Persons with a concern or knowledge about historic buildings and structures and archaeological sites are encouraged to attend this meeting or provide comments to Dane County.

For more information about the project, contact Dane County Highway Engineer Matt Rice at (608) 266-4037 or rice@countyofdane.com.
