

All About Roundabouts

with the Wisconsin
Department of
Transportation and
the DeForest Police
Department

Ready or not, the roundabouts on Highway 51 will all be open this month.

Whether we like them or hate them, we'll need to know how to maneuver through them safely.

Join us for a presentation with **Hanna Engevold** of the **Wisconsin Department of Transportation** and **Lt. Dan Furseth** of the **DeForest Police Department**. Learn how the Highway 51 roundabouts will provide safe and efficient traffic flow for us. Bring your questions!
