Greetings:

You are invited to attend a public involvement meeting for the upcoming bridge deck replacement project near I-39 and WIS 19.

The meeting will take place in the Community Room of the DeForest Area Public Library, 203 Library Street, DeForest on Tuesday, May 6, 2014 from 5:00 p.m. to 7:00 p.m. The meeting will follow an information open house format. A brief presentation will be given at 5:30 p.m. Wisconsin Department of Transportation (WisDOT) representatives will be available to discuss the proposed project and address any questions or concerns.

The proposed project includes the deck replacement of five structures: I-39 northbound and southbound over the Canadian Pacific Railroad, I-39 northbound and southbound over WIS 19, and the southbound entrance ramp over the Canadian Pacific Railroad. It also includes realignment of the southbound ramps near WIS 19 and signalization of this intersection, and installation of a salt storage building. Construction is currently scheduled for 2017.

If you have questions or concerns that may assist in the development of this project, we encourage you to attend the meeting. If I can provide additional information, you can contact me at (608) 821-8712 or send email to [susan.barker@mbakerintl.com](mailto:susan.barker@mbakerintl.com). You may also contact the WisDOT Project Manager, Kris Sommers at (608) 242-8014 or [Kristen.sommers@dot.wi.gov](mailto:Kristen.sommers@dot.wi.gov).
