3. There are no lawsuits filed or pending, or to the knowledge of the Developer, threatened against the Developer that may in any way jeopardize the ability of the Developer to perform its obligations hereunder.

1. The Developer fails to satisfy the Project Value Guaranty or any of the Conditions Precedent required by this Agreement; or

2. The Developer does not have fee title ownership in and to all of the Property at the time that a payment under the Municipal Revenue Obligation is due; or
3. Developer fails to provide necessary easements or otherwise impedes the ability of the Village to connect to the On-Site Infrastructure as required to serve the Property.

8. DEVELOPER DEFAULT.

- A. Cure Period. - B. Village Options upon Default. Whenever an event of Developer default occurs, the Village may take one or more of the following actions:
 1. The Village may suspend the performance of any or all of its undertakings and obligations under this Agreement until it receives assurances from the Developer deemed adequate by the Village, that the Developer will cure its default and continue its performance under this Agreement.
 2. The Village may take action, including legal or administrative action, in law or in equity, which may appear necessary or desirable to the Village to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, or to seek remedy for its breach.

- D. Delay in Exercise of Rights Not Waiver. No delay or omission to exercise any right or power accruing to the Village upon any default shall impair any such right or power or

shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

- E. Written Waiver Required. In the event this Agreement is breached by the Developer and such breach is expressly waived in writing by the Village, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous, or subsequent breach hereunder. The Village's acquiescence in enforcing any portion of this Agreement shall not provide a basis for the application of estoppel or other like defense or otherwise constitute waiver. Any waiver of any provision of this Agreement by the Village must be expressed and in writing.
- F. Compensation for Costs of Breach. Whenever any event of default occurs due to the actions or inaction of the Developer, and the Village employs attorneys and/or incurs other expenses for the collection of payments due or to become due for the enforcement or performance or observance of any obligation or agreement on the part of the Developer herein contained, the Developer shall, on demand thereof, pay to the Village the reasonable fees of such attorneys and such other reasonable expenses incurred by the Village.

EXHIBIT A – Municipal Revenue Obligation

VILLAGE OF WINDSOR
PAY-AS-YOU-GO DEVELOPMENT INCENTIVE OBLIGATION
FOR PROJECT IN LOT 1 OF CSM 14319
TID 1-SERIES 2017-11-30
\$500,000.00

THIS Pay-As-You-Go Development Incentive Obligation (the "**Obligation**") is issued pursuant to the TID Agreement and as a municipal revenue obligation pursuant to Wis. Stat. § 66.0621, and shall be effective as of the date of execution by the Village of Windsor (the "**Village**") and thereafter payable to Windsor Crossing Multi-Family, LLC, or assigns approved in writing by the Village Board¹ ("**Developer**") in accordance with its terms.

RECITALS

- A. The Village and Developer have entered into an Agreement to Undertake Development in Tax Increment District No. 1 as first approved by Village Board Resolution 2017-91 on October 19, 2017, and amended by Village Board Resolution 2017-113 on December 7, 2017 (the "**TID Agreement**").
- B. This municipal revenue obligation titled Pay-As-You-Go Development Incentive Obligation ("**Obligation**") is issued by the Village in accordance with the terms of the TID Agreement and this Obligation.
- C. Terms that are capitalized in this Obligation that are not otherwise defined in this Obligation and that are defined in the TID Agreement shall have the meanings assigned to such terms by the TID Agreement.

TERMS OF OBLIGATION

1. **Amount of Pay-As-You-Go Development Incentive; Conditions Precedent.** The Village hereby provides Developer with a Pay-As-You-Go Development Incentive in the principal amount of Five Hundred Thousand Dollars (\$500,000.00), to be paid to Developer without interest and in accordance with this Obligation, provided that each and every one of the following requirements is met (collectively, "**Conditions Precedent**") as of the date the payment is due ("**Payment Date**");

- a. The Developer has completed the Project in accordance with Village approvals and the TID Agreement; and,
- b. The Developer has satisfied the Project Value Guarantee; and

¹ Any assignment of this Agreement is prohibited without first obtaining written approval from the Village of Windsor. Any assignment without Village approval shall be null and void and of no force or effect. The Village hereby approves collateral assignment of the Obligation to the Developer's lender.

Exhibit A

- c. The Village has received the annual Project Increment Revenue from the Property, when and as due (that is, Developer has fully paid the real estate taxes on the Property, when and as due); and,
- d. The Developer is not otherwise in default under the TID Agreement.

Any payments on the Obligation, which are due on any Payment Date, shall be payable only to the extent that, as of such Payment Date, the Developer has met all of the Conditions Precedent. To the extent that the Village does not make a payment at least equal to the Scheduled Payment because of Developer's failure to meet the Conditions Precedent, the Village's failure to make the Scheduled Payment shall not constitute a default under this Obligation. If, on any Payment Date there is insufficient Project Increment Revenue to make the scheduled payment due on such date, the amount of such deficiency in the scheduled payment shall be deferred and shall be paid without interest, on the next Payment Date on which the Village has Project Increment Revenue, and if such deficiency has not been paid in full by the final Payment Date set forth in the Payment Schedule, then the term of this Obligation shall be extended to include additional successive payment dates on which any Project Increment Revenue will be applied to the payment of such accrued and unpaid deficiencies in the scheduled payments to be made hereunder. In no case, however, shall the term of this Obligation and the Village's obligation to make payments hereunder, extend beyond the termination date of the District (as defined in the Tax Increment Law).

2. **Payment Schedule.** Provided that the Conditions Precedent listed above are fully satisfied, the Village shall pay the Developer, or its heirs, successors or assigns,² sixty percent (60%) of the Project Increment Revenue received for the 2018 tax year, with such payment made on or about September 1, 2019, and continuing on the same basis annually thereafter (the "Payment Date"), until the Obligation is fully satisfied or the Obligation is terminated as set forth herein. Notwithstanding the foregoing, the parties have agreed as follows:

a. If the Developer pays 100% of its taxes on the Property in the first payment period (that is prior to January 31) and the Village receives its tax settlement from Dane County including the Village portion of said payment during the February settlement period, then the Village agrees to make the aforementioned 60% payment to the Developer within twenty (20) days of the Village's settlement with Dane County.

b. Solely for the 2018 tax year, the Developer shall be entitled to the payment even if it has not met the Condition Precedent referred to as Project Value Guarantee. All other Conditions Precedent must be satisfied.

3. **Limited Obligation of Village.** This Obligation shall be payable solely from Project Increment Revenue, and shall not constitute a charge against the Village's general credit or taxing power. The Village shall not be subject to any liability hereunder, or be deemed to have obligated itself to pay Developer any amounts from any funds, except the Project Increment Revenue, and then only to the extent and in the manner herein specified. This Obligation shall terminate and the Village's obligation to make any payments under this Obligation shall be discharged, and the Village shall have no obligation and incur no liability to make any payments hereunder after the termination date of the District. Notwithstanding the foregoing, and only where the Developer has met the Conditions Precedent, if the Village elects early termination of the District, the Village shall provide for payment of the Obligation as set forth in Section 5. below.

4. **Subject to Annual Appropriations.** Each payment under this Obligation shall be subject to annual appropriation by the Village of its Project Increment Revenue in a manner that recognizes the Obligation set forth herein.

² As indicated in the Agreement, Assigns must be pre-approved by the Village. The Developer's lender is hereby an approved assignee for collateral purposes.

5. **Prepayment Option and Early District Termination.** To satisfy in full the Village's obligations under this Obligation, the Village shall have the right to prepay the outstanding principal balance of this Obligation at any time from District Tax Increment. The prepayment option is available to provide the Village the option of early termination of the District or termination of the Obligation by payment in full.

6. **Termination of Obligation for Failure to Meet Project Value Guarantee.** Notwithstanding any other provision to the contrary herein or in the TID Agreement, if the Developer fails to meet the Project Value Guarantee as of January 1, 2019, the Village's obligation hereunder shall terminate, and the Village shall have no obligation and incur no liability to make any payments hereunder.

7. **Miscellaneous.** This Obligation is subject to the Tax Increment Law and to the TID Agreement.

Dated to be effective as of the 7th day of December, 2017.
