Re: Salt Spreader for Toolcat

The Public Works Department has received 4 quotes for a salt spreader for the Toolcat. The primary use for the Toolcat in the winter is for clearing Village owned sidewalks after a snow event. The salt spreader would allow the operator to distribute salt on areas that have become iced over.

The quotes received are as follows:

- Bobcat of Madison, SP12 Salt Spreader.....\$5,254.28
- Mid-State Equipment, SP12 Salt Spreader.....\$5,775.00
- Northern Tool & Equipment, SaltDogg SHPE0750....\$2,799.99
- Grainger, SnowEx 3.0 CU.FT. capacity...\$951.00

The Public Works Committee is recommending that the Village Board approve the purchase of the SnowEX 3.0 CU. FT. capacity salt spreader from Grainger for a cost of \$951.00.
