

**VILLAGE OF WINDSOR
VILLAGE BOARD RESOLUTION 2019-50**

**RESOLUTION AUTHORIZING THE SPEED REDUCTION ON PORTAGE RD SOUTH
OF EGRE RD AND ON GRAY RD WEST OF NORTH TOWNE RD**

WHEREAS, the Windsor Village Board has a high regard for the safety of those that drive on Village roads; and

WHEREAS, the Public Works Department and the Village of Windsor Deputies have indicated a need for a speed limit reduction on Portage Rd south of Egre Rd and also on Gray Rd west of North Towne Rd; and

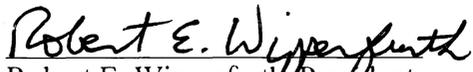

WHEREAS, the speed limit reduction from 45mph to 35mph will create a safer environment in those areas;

NOW THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Windsor that it hereby resolves as follows:

1. The Village Board concurs with the Public Works Committee, Windsor Deputies, and the Public Works Director's recommendation to reduce the speed limit on Portage Rd approximately 1,000 feet north of the Old Mill parking lot extending south to Highway 19 from 45mph to 35mph.
2. The Village Board concurs with the Public Works Committee, Windsor Deputies, and the Public Works Director's recommendation to reduce the speed limit on Gray Rd from North Towne Rd west to Highway CV from 45mph to 35mph.

The above and foregoing Resolution was duly adopted at a regular meeting of the Village Board of the Village of Windsor on May 16, 2019, by a vote of 5 in favor and 0 opposed.

Re: Portage Rd speed limit reduction
Gray Rd speed limit reduction

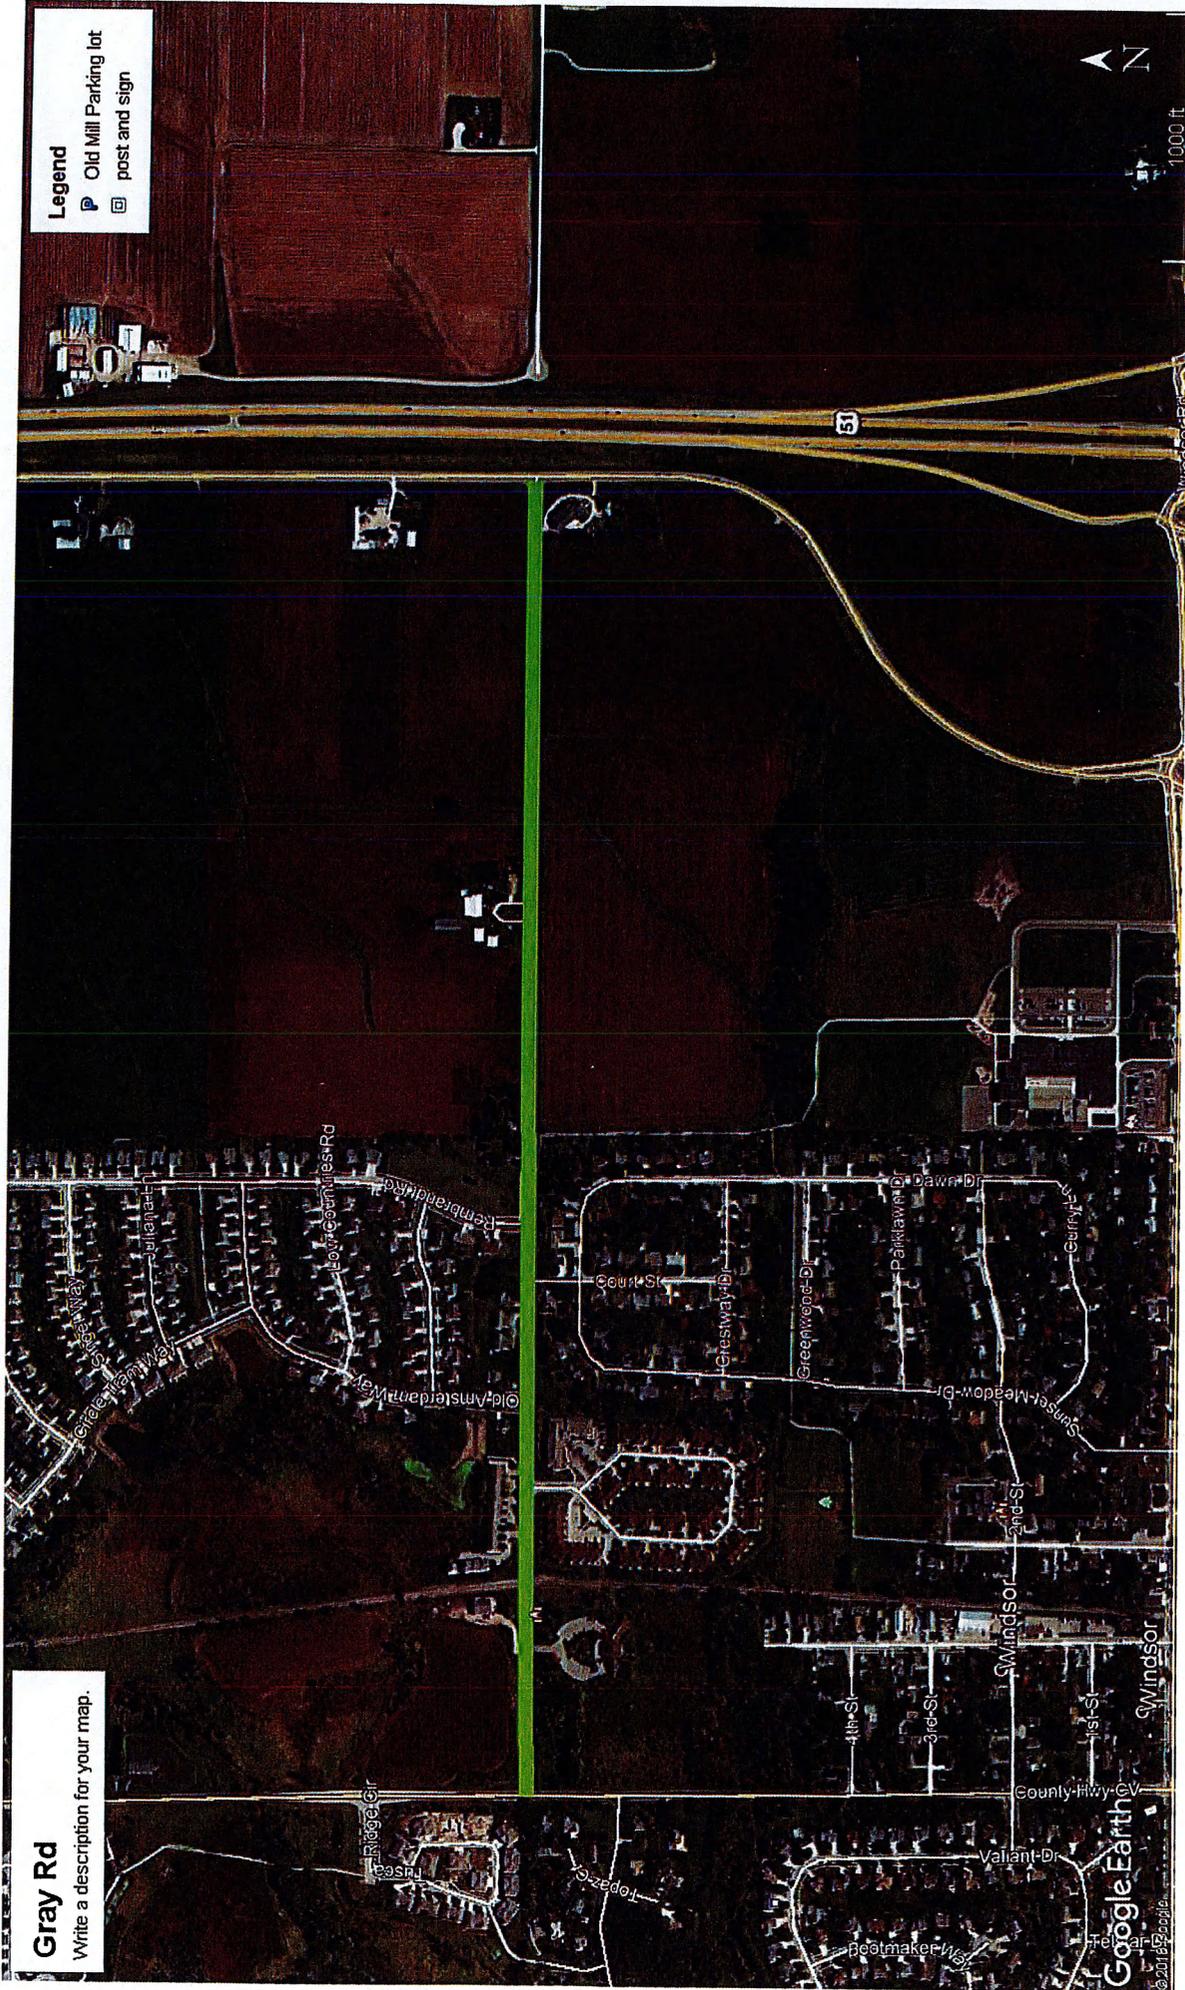

In an effort to increase safety near the Old Mill site and the DNR ponds on Portage Rd, we are asking that the 45mph speed limit be reduced to 35mph beginning approximately 1,000ft north of the entrance to the Old Mill parking lot and extending south to Highway 19.

For south bound traffic a 35mph ahead sign would be posted 250ft before the 35mph zone begins and then a 35mph sign would be installed where the zone starts. A 35mph sign would be installed in place of the 45mph sign near the DNR ponds for north bound traffic and then 1,000ft north of the Old Mill entrance the 35mph zone would end and a 45mph sign would be installed.

Also in an effort to increase safety near the Holland Fields, Parkside Village, and Windsor Point Condominium neighborhoods along Gray Rd, we are asking that the 45mph speed limit be reduced to 35mph from North Towne Rd to County Highway CV.

New 35mph signs would be installed in place of the current 45mph signs at both ends of Gray Rd.

We are asking the Village Board to approved reducing the speed limit in these two areas from 45mph to 35mph and allow the appropriate signage to be installed.
