Re: Zero Turn Mower purchase

The Public Works Department has received 3 quotes for a new 72" zero turn mower to replace a 2016 Z997R 72" John Deere zero turn mower. The 2016 mower is scheduled for replacement in 2021 but we would like to replace it now and avoid some rather costly repairs to the exhaust system and belt replacements that should be done. This request has not gone before the Public Works Committee because the quotes from Mid-States are only good for 30 days.

The quotes received are as follows:

Midstate Equip...Scag 842A 72" Turf Tiger \$12,911.00 - \$6,000 trade in = \$6,911.00
Midstate Equip...John Deere Z997R 72" ...\$17,750.00 - \$6,000 trade in = \$11,750.00
Sloan Implement...John Deere Z997R 72" ...\$17,318.52 - \$7,000 trade in = \$10,318.52

The funding for this mower will be from the Reserve/Replacement Fund.

The Public Works Director is asking that the Village Board approve the purchase of the Scag 842A 72" Turf Tiger from Midstate Equipment for \$6,911.00.
