

**VILLAGE OF WINDSOR
VILLAGE BOARD RESOLUTION 2024-107**

RESOLUTION AUTHORIZING THE PURCHASE OF A PORTABLE MESSAGE DISPLAY BOARDS

WHEREAS, the Windsor Village Board has a high regard for the safety of those that travel on Village roads; and

WHEREAS, the Public Works Director and the Village Staff have indicated a need to communicate with those traveling on Village roads to and from Village events, during road construction projects, and during Emergency Management Operations; and

WHEREAS, the safety of those traveling on these roads will be enhanced by the information and advanced notice they will receive from a message board; and

WHEREAS, the Public Works Director has obtained quotes for the purchase of 2 LED Message Boards as shown in Exhibits A.

NOW THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Windsor that it hereby resolves as follows:

The Village Board concurs with the Public Works Director's recommendation to purchase 2-Wanco Metro WVTMM-M portable LED message boards from Decker Supply for a total cost of \$30,235.30.

The above and foregoing Resolution was duly adopted at a regular meeting of the Village Board of the Village of Windsor on December 19, 2024, by a vote of 5 in favor and 0 opposed.

Metro™ VMS

Compact Variable Message Signs

Small footprint, energy efficient and superior performance.

WANCO® Driving traffic safety.

800-972-0755
www.wanco.com

Easy to maneuver and deploy in urban areas, where traffic is heavy and space is limited.

- Energy efficient and superior performance
- Full-matrix message display available in two sizes
- Small footprint, fits nearly anywhere
- Preprogrammed, custom and MUTCD graphics
- Easiest programming in the industry

Metro™ Variable Message Signs feature a full matrix of high-efficiency LEDs for reduced energy consumption, superior performance and outstanding legibility. The display can present messages as text, graphics or a combination of both. Preprogrammed messages include MUTCD graphics and bold arrows.

The compact Metro trailer is easy to maneuver and deploy, particularly in urban areas where traffic is heavy and space is limited. For optimal positioning, the display cabinet rotates independent of the trailer, and its height is fully adjustable with a hand-operated winch. Metro signs use our touchscreen interface for the easiest programming in the industry.

Options include the Wanco Modem Package with GPS, radar-based speed detection, the Wanco Traffic Data Classifier System and remote control with Wanco Fleet Manager. Additional solar panels and batteries are also optional.

To see or order a Metro sign, visit wanco.com or call **800.972.0755**.

- Capacitive touchscreen controller located on back of display cabinet
- Intuitive full-color interface with large “buttons”
- Safer programming at eye level
- Better traffic visibility
- Multi-level password protection and lockable control box
- Out of reach of the casual hacker
- NTCIP compliant

Mini Message Signs

Full-Matrix and Three-Line

The same high visibility and legibility as our full-size signs, but with smaller footprint

- Energy efficient with superior performance
- Choose matrix or three-line message display
- Full-color touchscreen controller
- Preprogrammed, custom and MUTCD graphics
- Easiest programming in the industry

Wanco® Mini Message Signs are 30% smaller than our full-size signs, making them highly maneuverable and easy to deploy.

Choose the sign that's right for your application. Wanco Mini Matrix Signs feature a full matrix of highly legible, ultra-bright LEDs to display graphics, text or a combination of both. Wanco Mini Three-Line Signs are designed for text messages of up to eight characters per line. For optimal positioning, the display cabinet rotates independent of the trailer. Raise and lower the sign with the standard hand-operated winch or optional hydraulic lift.

All signs feature Wanco's capacitive touchscreen interface for the easiest programming in the industry. Large virtual buttons are easy to see and select. The touchscreen has nearly instantaneous response and an intuitive menu structure that makes easy work of choosing and setting new messages.

Options include the Wanco Traffic Data Classifier System, Modem Package with GPS, Fleet Manager, Asset Tracker and radar-based speed detection.

To see or order a Wanco Mini Message Sign, call **800.972.0755** or visit wanco.com.

- Lockable weathertight control box located on back of display cabinet
- No external wiring from controller to sign
- Safer programming at eye level
- Better traffic visibility
- Out of reach of the casual hacker
- Capacitive touchscreen controller features intuitive full-color interface with large virtual buttons
- Multi-level password protection prevents unauthorized access
- NTCIP compliant
