Title: John Deere Tractor Rental Program

Previous Action: Recommended at the Public Works Committee

Issue Summary: John Deere has a program that Dane County participates in that would allow the Village of Windsor to rent a John Deere tractor that would be used for our roadside mowing. The cost of the rental is \$6,600 for an 8 month period (April 1-Nov. 30) with a 350 hour limit. The rental tractors are 6130M or higher and would be a brand new unit each year. The Village's current John Deere tractor is a 2014, 6125M and is on our replacement schedule for next year (approx. \$150,000).

Budget Impact: \$6,600.00

Staff Recommendation: Public Works Committee and Village staff recommend participating in the John Deere Tractor Rental Program.

Sample Affirmative Motion: Motion to approve participating in the John Deere Tractor Rental Program for \$6,600.
