

**VILLAGE OF WINDSOR
VILLAGE BOARD RESOLUTION 2024-86**

AUTHORIZATION TO PURCHASE LINE STRIPING MACHINE

WHEREAS, the Public Works Department has need to replace the 2016 Graco Line Lazer 3400 pavement striping machine; and

WHEREAS, the Public Works Director has researched and obtained quotes from Sherwin Industries and Hallman Lindsay as provided in Exhibit B; and

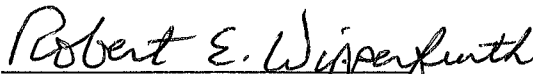

WHEREAS, the Public Works Committee supports the purchase of a 2024 Graco Line Lazer 3400 from Sherwin Industries for \$5,356.25

NOW THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Windsor as follows:

1. The Public Works Director is authorized to purchase the 2024 Graco Line Lazer 3400 from Sherwin Industries for \$5,356.25.
2. The current line striping machine is hereby declared surplus village property pursuant to section 40-1 of the Code of Ordinances. The Public Works Director is authorized to dispose of the Line Striping machine by sale at public auction in accordance with section 40-1(d)(2) of the Code of Ordinances, or by other method determined by the Village Administrator as most beneficial to the Village.

The above and foregoing Resolution was duly adopted at a regular meeting of the Village Board of the Village of Windsor on October 17, 2024, by a vote of 5 in favor and 0 opposed.

Q

PRODUCT DESCRIPTION

The revolutionary PowrLiner™ 3500 is built with technology that delivers a best in class stripe with sharp and consistent line quality even on the toughest surfaces.

- Sprays latex and oil based field and pavement marking coatings
- Elite lifetime warranty offered on the hydraulic fluid pump
- PermaStroke Technology™ provides a lifetime of durability with no piston or packings to replace and only has two field serviceable wear parts
- Sealed hydraulic system has no electronics or clutches to burn out
- Sureflo™ Pusher Valve makes priming easy
- FlatLine Pulsation Damper™ eliminates pressure fluctuations and deadband in the system
- Removable gun allows for full stenciling capability
- No-spill pump filter holds coating in the housing when removing
- Large 16" pneumatic tires for increased portability over rough surfaces
- New swing back design
